

Cascade Air FBO & Flight Training Private Pilot Ground School

Start Date: October 11th, 2022

Days/Times: 8-week course- Tuesdays and Thursdays
6pm-8:30pm

Cost: 1-time fee of \$450 + books and materials

Location: Cascade Air Classroom at SW WA Regional Airport

Course Description: Our Private Pilot Ground School acts as a first step in completing your aviation goals. Start-to-finish, this course will walk you through the basics of flying and get you to a point where you can successfully pass your FAA Written Exam, which is a required component for obtaining your Private Pilot's License.

We will cover topics including aviation history, airplane systems, flying maneuvers, flight environment, radio communication, emergency procedures, meteorology, take-offs/landings, FAA regulations, aircraft performance, human factors, and navigation.

Enrollment: Please email us at info@cascadeair-nw.com with any questions or to enroll!
